"Letter of qualification" means a notification issued by a state of principal license that expresses an applicant's eligibility or ineligibility for expedited licensure through the process set forth in the Compact.

"License fee" means the fee a member board establishes for an expedited license issued through the Compact.

"Service fee" means fees that may be assessed by the Interstate Commission, or a member state, or both, to handle and process an application for a letter of qualification, or the issuance of a license through the Compact, or the renewal

of a license through the Compact. A service fee is not a license fee for the issuance of a license or the renewal of a license.

- (2) The Interstate Commission shall notify member boards when fees are collected and available, and shall provide an itemization sufficient to permit the member board to reconcile the fees
- (3) To receive the license and service fees identified by the Interstate Commission as available, a member board shall make a written request, or provide standing authorization, authorizing the disbursement of funds.
